District Summary

- South District's population increased by 10% between 2011 and 2021. It's **population size, age structure and ethnic diversity** most closely match the averages for Oldham of any district.
- **Deprivation** levels are relatively high across the district and vary between wards. Failsworth East and West's deprivation levels fall just below the Oldham average, whilst rates for Hollinwood and Medlock Vale are higher.
- **Median house prices** vary between areas of the district. A house in Failsworth East is most expensive, Failsworth West is similar to the Oldham average and Hollinwood and Medlock Vale are both lower.
- **Fuel poverty** is higher in Hollinwood and Medlock Vale than Oldham, GM and England averages. Rates in Failsworth are comparable to the Oldham average.
- **Unemployment rates** are similar to the Oldham average, however **youth unemployment rates** are highest across Oldham. Hollinwood and Medlock Vale have the two highest rates across Oldham.
- South District has the highest percentage of children in Reception classified as **overweight or obese**, however by Year 6 rates are similar to the Oldham average.
- **Learning outcomes** fall short of the Oldham averages at every Key Stage level. Pupils in Failsworth East and West perform better than those in Medlock Vale and Hollinwood. Rates of **pupil absence** are highest in South District. The rate of **SEN Support** need is highest in South.
- Rates **Smoking, Adult Obesity, Depression, Diabetes and Learning Disability** tend to be lower or similar to the borough averages in South District. However, rates still fall short of the England averages for all measures.
- **Adult and Child Mental Health Referrals** are second highest across Oldham. **Mental Health Contacts** for both groups rank third.
- South District has a high rate of both **Children's Social Care** activity and referrals. The district sees a higher than average proportion of its referrals from LA Services compared to other districts. **Adult Social Care** activity and referrals (age-standardised) are average for the borough.
- The **crime rate** in the district is second highest across Oldham. Hollinwood experiences the highest crime rate of all South District wards.

Population

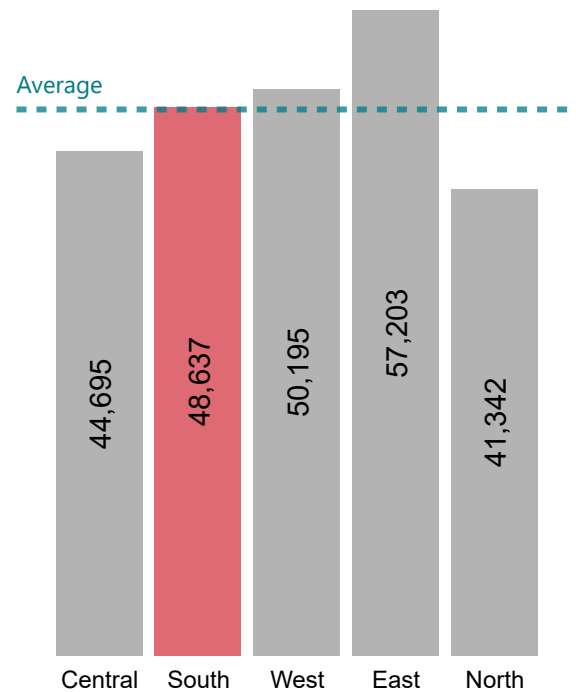

Population

48,637

people live in the South District

This means it is the 3rd highest by population size
