District Summary

West District has the second highest **population** in Oldham. The district population grew by 11% between 2011 and 2021. The ward of Werneth saw the greatest growth of any in the borough.

Deprivation levels vary greatly within the district. Werneth is the most deprived area, followed by Chadderton Central. Although Chadderton South and Chadderton North show areas of high need, deprivation levels are lower overall.

Chadderton North is the only area of West district where the **median house price** falls above the Oldham average. Large differences are seen within the district, with a £115,000 average price difference between a home in Chadderton North and Werneth.

Unemployment rates are high in Chadderton Central and Werneth and fall below the Oldham average in Chadderton North and Chadderton South. West has the largest difference in rates between its wards of any district.

Chadderton Central has the lowest **median household income** of any ward in Oldham.

Pupils in West perform within the range of the Oldham averages for **Key Stage 1 Phonics Screening and Key Stage 2 SATS**, however the average **Attainment 8** score at Key Stage 4 is above the Oldham average and the highest of any district.

Rates of **childhood obesity** are high. Children in Year 6 have one of the highest rates of overweight or obesity in Oldham.

West has the highest rate of **smoking** within Oldham and also sees high rates of **Diabetes, Depression and Obesity. Learning Disability** rates are the highest across Oldham in West.

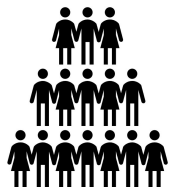

West District has low levels of **Child and Adolescent Mental Health** referrals and contacts. This may be a reflection on access to and utilisation of services rather than a difference in prevalence of mental health conditions in the district. **Adult Mental Health** service use is in line with Oldham averages.

West District has a low rate of both **Children's Social Care** activity and referrals. The district sees the lowest proportion of its referrals from Education and the highest proportion of its referrals from Police. **Adult Social Care** activity is relatively high, referrals are similar to the average for Oldham.

There are more crimes per 1,000 residents in **Chadderton South** than any other ward in West District. **Chadderton North** has the lowest crime rate of the district, and one of the lowest of any Oldham ward.

Population

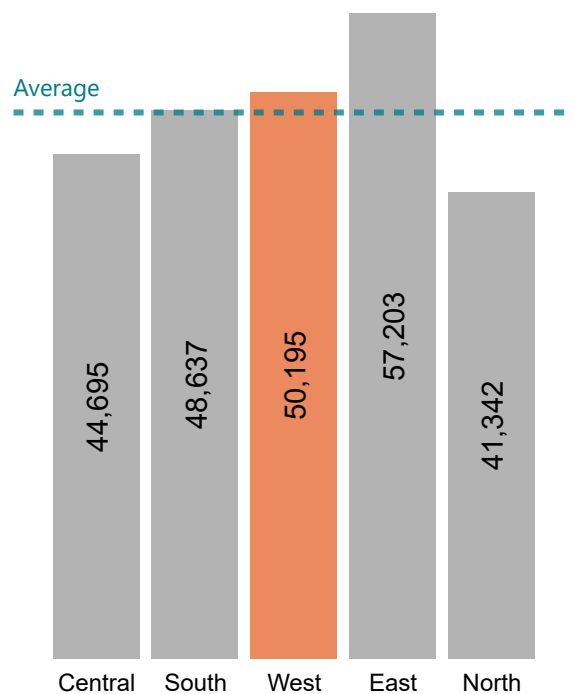

Population

50,195

people live in the West District

This means it is the 2nd highest by population size

Population Growth

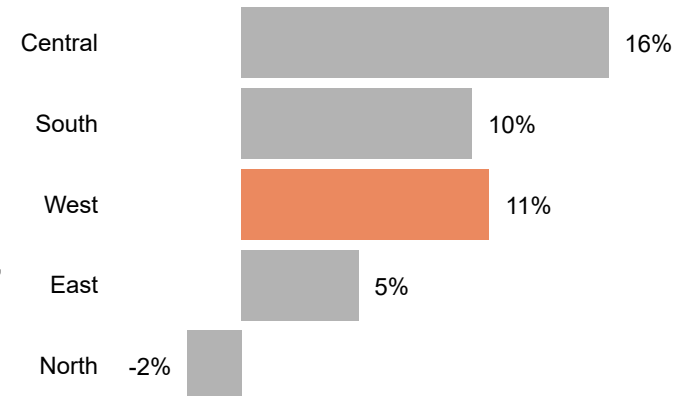

The West District's population is growing at the second fastest rate across the borough.

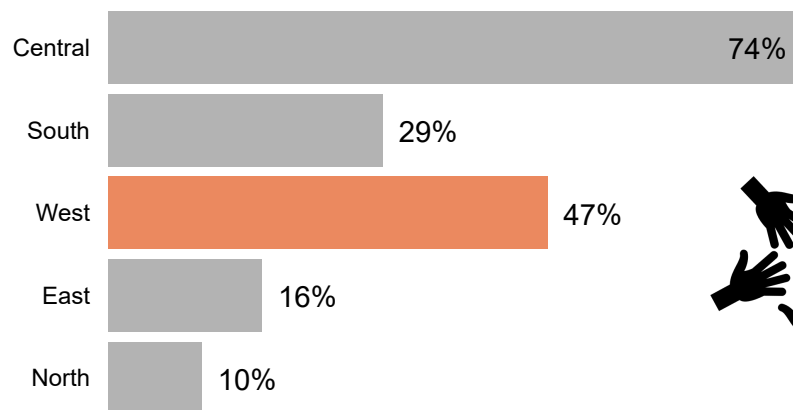

Whilst Oldham's population as a whole grew by 7.7% between 2011 and 2021, West's population grew by 11%.

But the district level figures hide significant variation between the wards: During this time, Werneth's population grew by 22.2% and Chadderton Central's by 15.6%, whilst Chadderton South's grew by only 5% and Chadderton North's reduced by 0.2%

Werneth's growth rate is highest of any ward in the borough.

Ethnicity - BaME %

35%

Oldham Average

27%

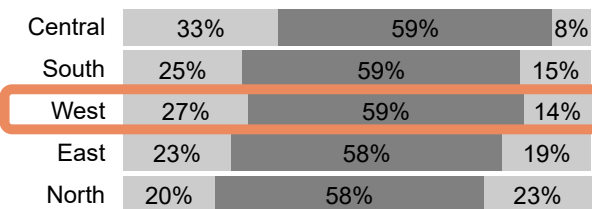

England Average

BaME refers to Non White British residents.

West has the second highest proportion of 0-17 year olds.

All districts have a similar proportion aged 18-64.

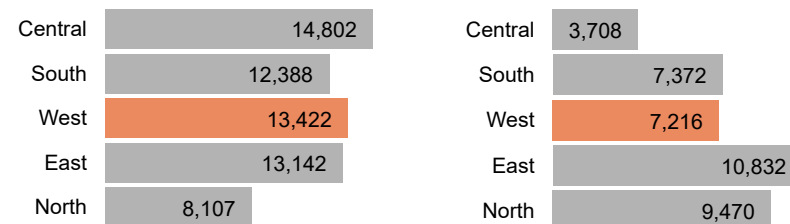

Age Profile

0-17 18-64 65+

West has the second highest number of 0-17 year olds.

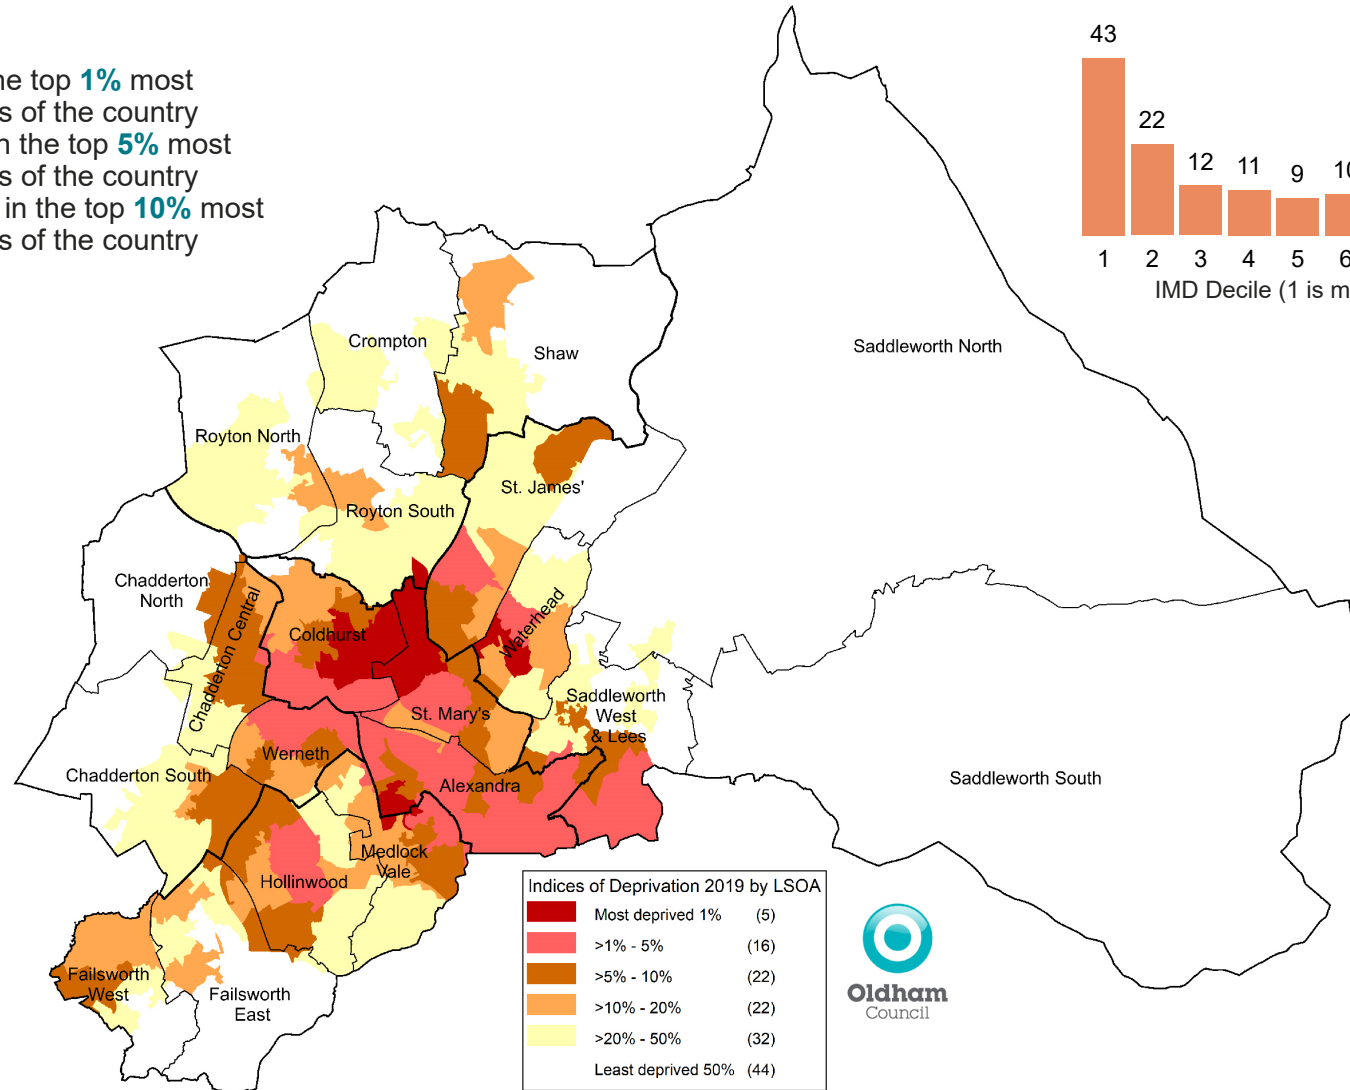

West has the second lowest number of those aged 65+.

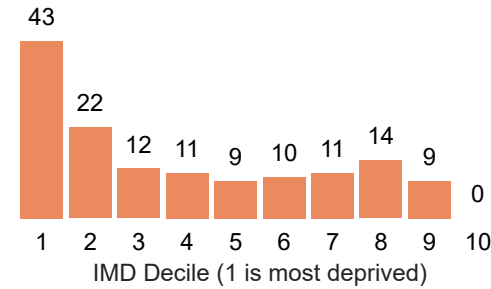

Indices of Deprivation

Of the 27 LSOAs that fall within the West cluster:

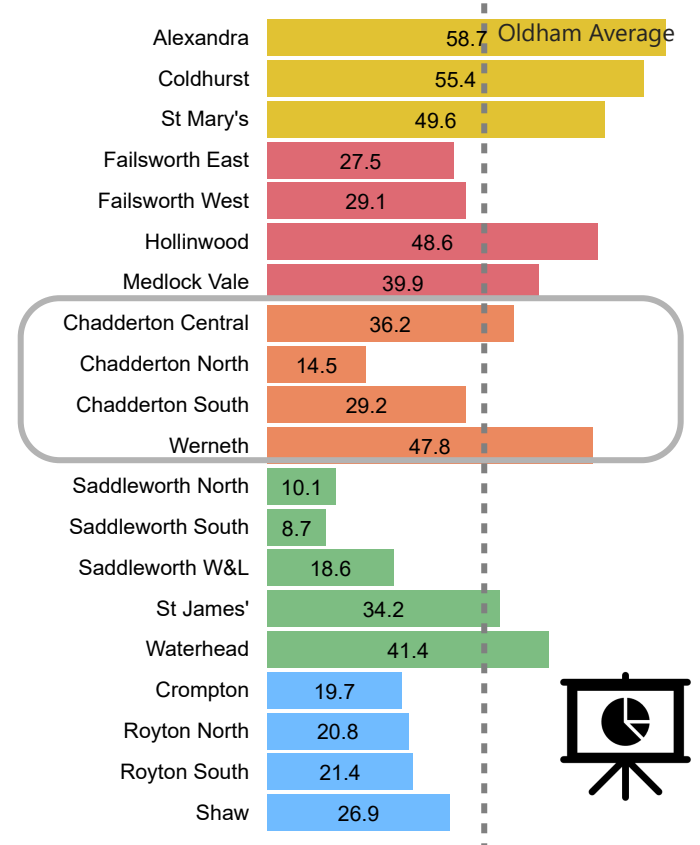

- **None** are in the top **1%** most deprived areas of the country
- **2 (7.4%)** are in the top **5%** most deprived areas of the country
- **9 (33.3%)** are in the top **10%** most deprived areas of the country

IMD Deciles of LSOAs in West

Average IMD Score

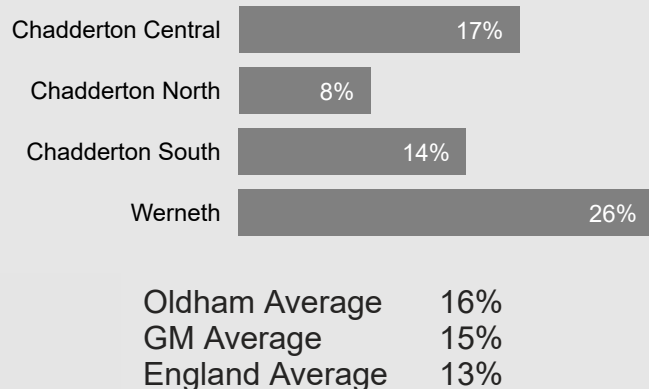

A higher score indicates a more deprived area.

The average IMD scores for each ward indicate that **Chadderton North** is the least deprived within West. **Chadderton South** and **Central** have rates similar to the Oldham average and **Werneth** has a deprivation score well above the Oldham average.

Household Data

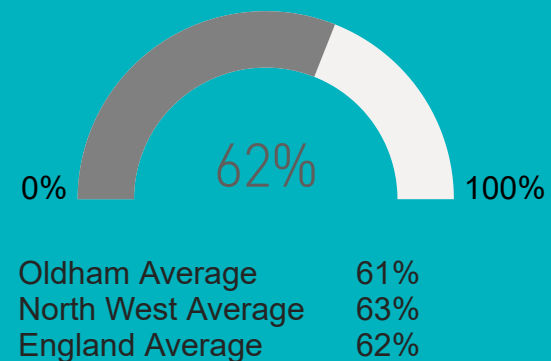

Fuel Poverty

Socially Rented Homes

Unemployment Rate

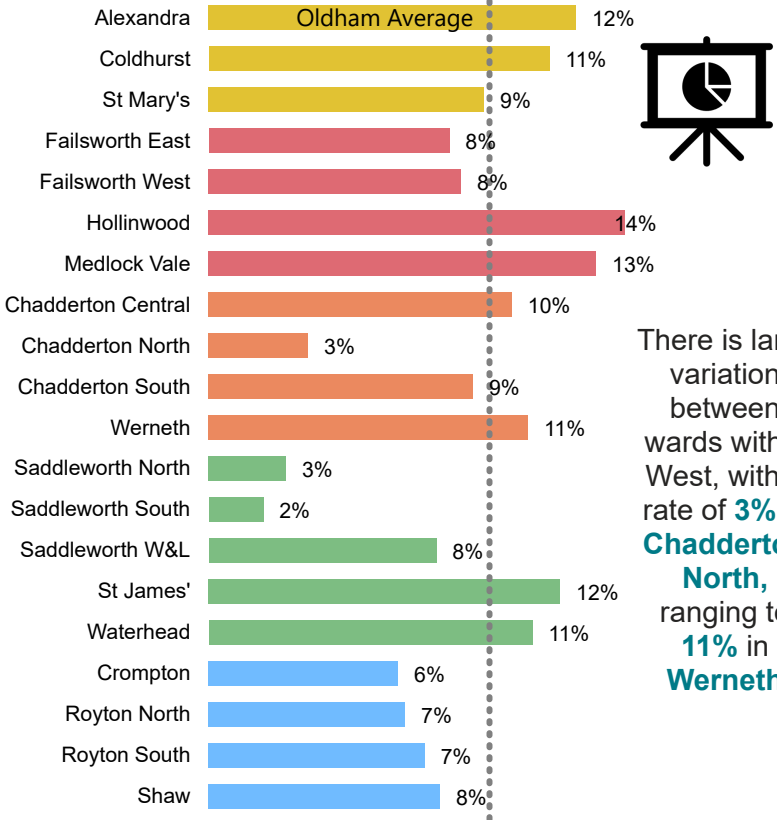

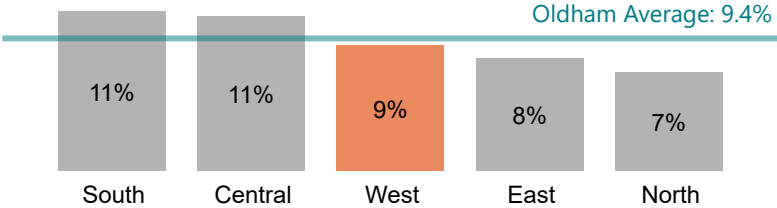

West has the **second highest unemployment rate** of the 5 districts, with an average rate of **6.7%**.

There is large variation between wards within West, with a rate of **2%** in **Chadderton North**, ranging to **10%** in **Werneth**.

Youth Unemployment Rate

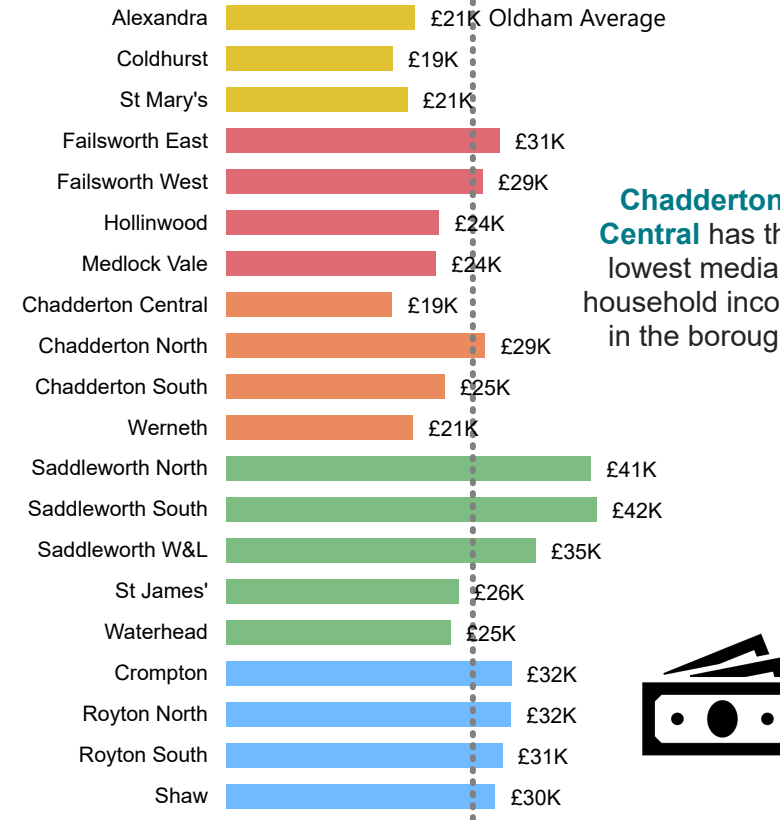

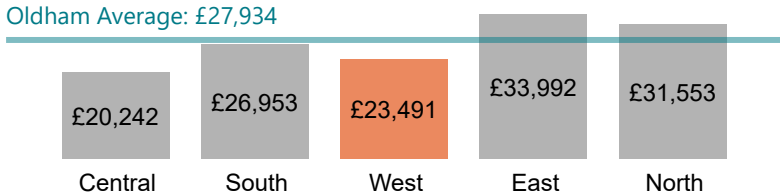

West's youth unemployment rate is similar to the Oldham average, at **8.9%**.

There is large variation between wards within West, with a rate of **3%** in **Chadderton North**, ranging to **11%** in **Werneth**.

Household Income

West has the **second lowest median household income** of the 5 districts, with an average rate of **£23,491**.

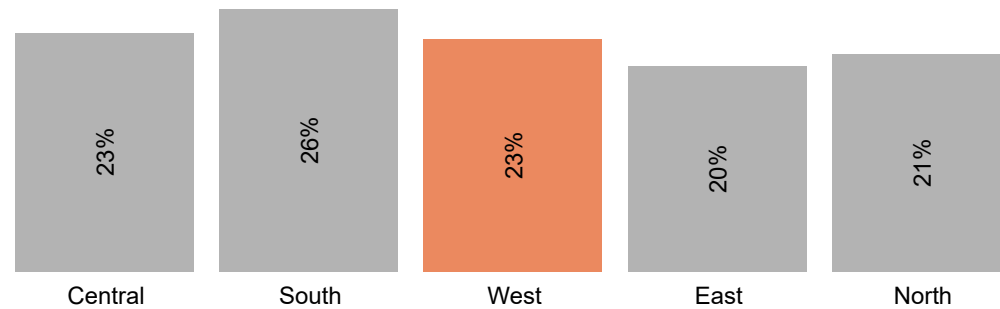

Chadderton Central has the lowest median household income in the borough.

Early Years

Obesity in Reception

The West District has **23%** of reception aged children overweight or obese, similar to the Oldham average.

The rate across **England is 22%**.

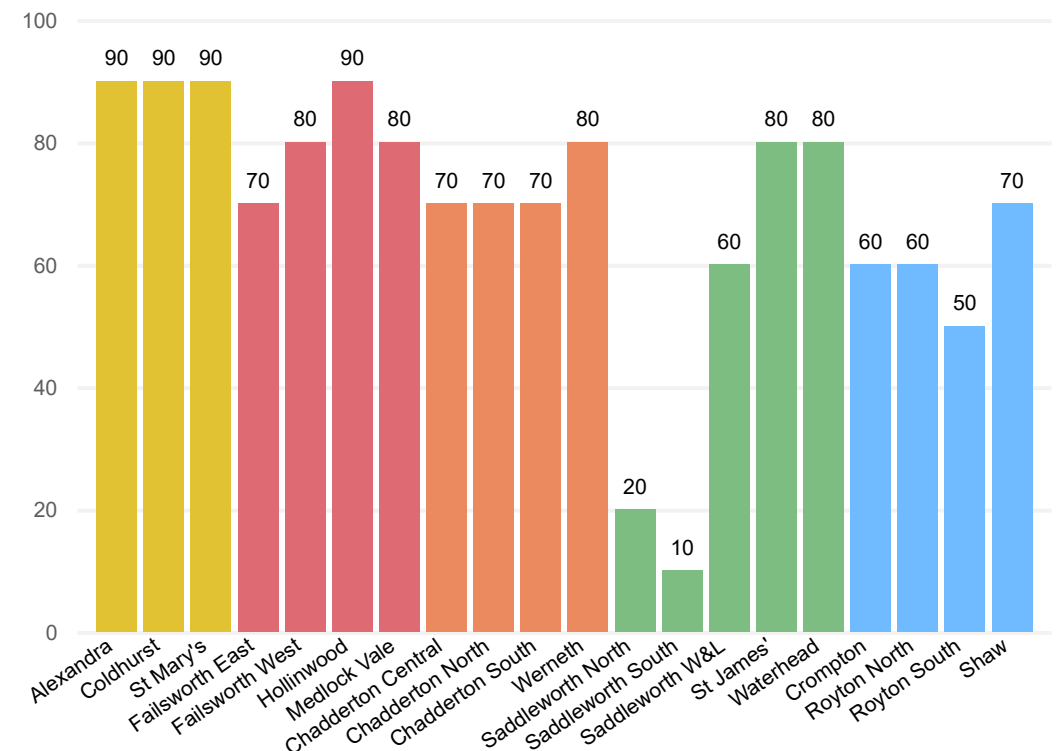

Child Poverty (IDACI)

IDACI (Income Deprivation Affecting Children Index) measures the proportion of all children aged 0 – 15 living in income deprived families.

The graph below is split into deciles, with a higher score being a more deprived area. A score of 10 means that ward is one of the 10% least deprived wards in the country. A score of 100 would mean that ward is one of the 10% most deprived wards in the country. A score of 90 means that ward is one of the 10 - 20% most deprived wards in the country.

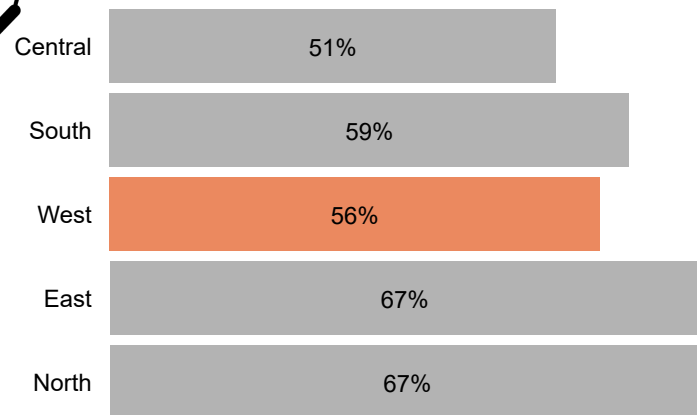

Good Level of Development by the end of Reception (GLD)

In 2022, **56%** of children in West District **achieved the GLD**.

The rate across **England was 65.2%**.

Rates vary between wards within West:

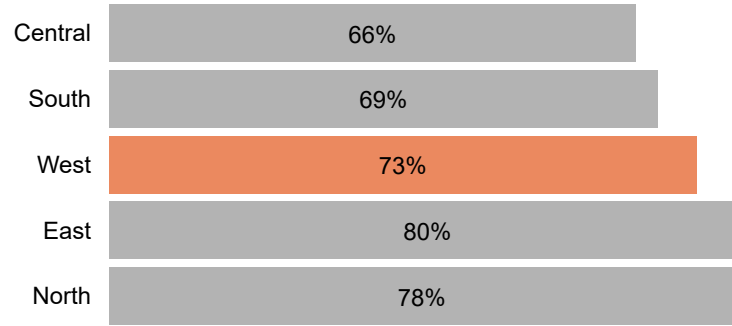

Chadderton North	65%
Chadderton South	60%
Werneth	52%
Chadderton Central	52%

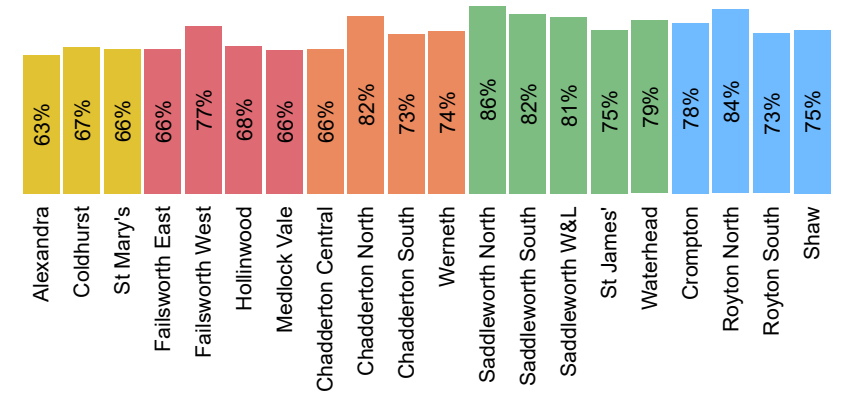

****Please note this data uses the 2011 ward boundaries****

Key Stage 1

Meeting the Expected Standard for the Year One Phonics Screening Check

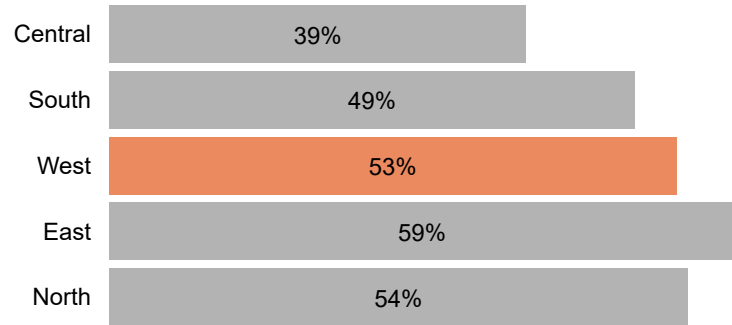

Oldham Average 72%
North West Average 74%
England Average 76%

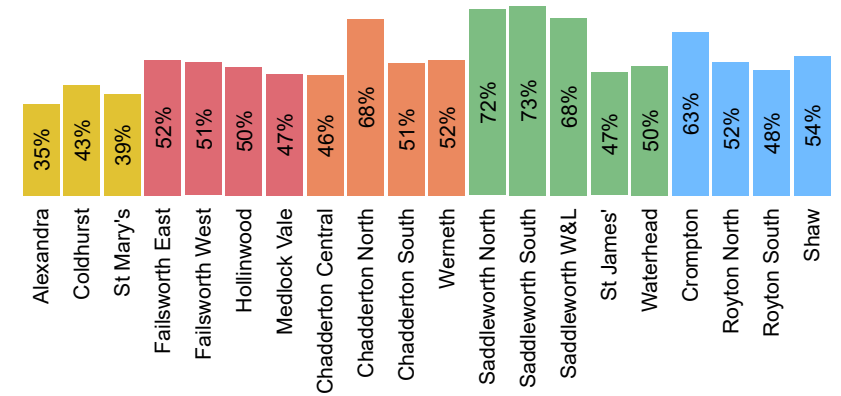

Key Stage 2

Meeting the Expected Standard in Reading, Writing and Maths

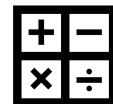

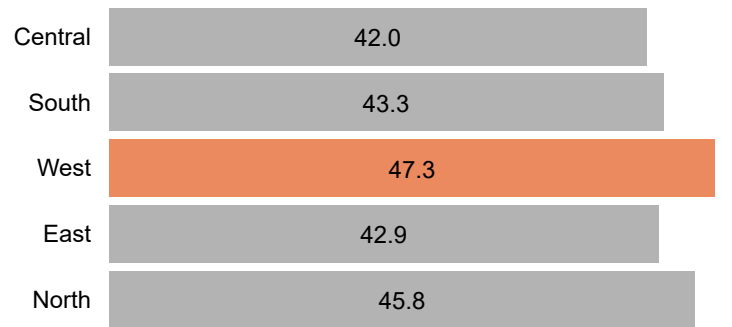

Oldham Average 52%
North West Average 58%
England Average 59%

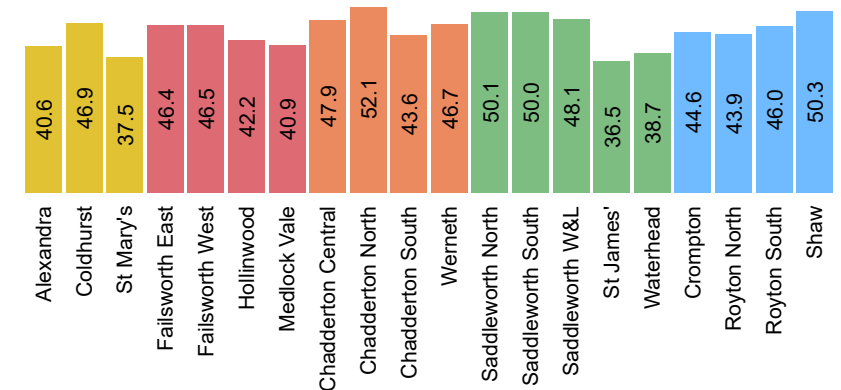

Key Stage 4

Attainment 8 Score

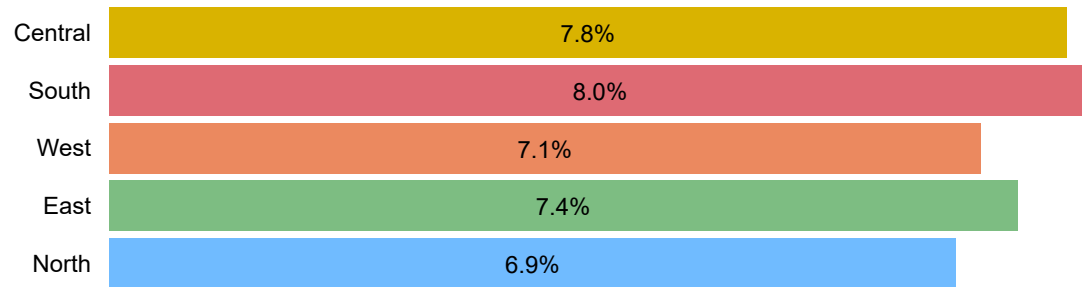

Oldham Average 44.2
North West Average 47.1
England Average 48.7
